

MEDISHIELD

MediShield

MediShield is an available add-on service for MediBridge clients, providing legal support for possible balance bill escalations or litigation. MediShield features Phia Patient Defender with lowered thresholds to enhance protection.

When MediShield is triggered:

- A balance bill from a facility goes to a third-party collector, regardless of the amount
- A balance bill from a medical professional in excess of \$2,500 goes to a third-party collector
- A lawsuit is filed, regardless of the amount in dispute

Providing MediBridge members with peace of mind for balance bill legal services - from correspondence to litigation.

Protecting the plan, while defending the member.

MediShield featuring PHIA Patient Defender and 6 Degrees Health's legal defense is the latest addition to the MediBridge suite of services offered to MediBridge Clients.
