

# DEGREES HEALTH

6 Degrees Health is excited to provide you with access to the **Client Toolkit** located within the Client Portal.

## Instructions

To access the Client Toolkit, visit [6degreeshealth.com](http://6degreeshealth.com), click on Client Portal in the top right corner and login using your username and password provided.

To change your password, go to our website and click on “Client Portal” and log in using the temporary password you received. Once you are logged in click on your name at the top right of the screen and select “Edit My Profile”. Here you can update your user information or change your password.

**The Client Toolkit offers a quick resource for our clients to access product information, contracts and patient education in one place.**

As a showing of appreciation, we have created a username and password for you to gain access to the Client Toolkit at [6degreeshealth.com](http://6degreeshealth.com).
